EXPERIENCE

Senior Producer Journey

Sep 2025 – Present, London

Leading end-to-end project delivery across a portfolio of high-value accounts in the real estate and property development sector. Managing the full project lifecycle from initial brief and proposal through to delivery and after-sales, overseeing budgets, timelines, and resource allocation. Collaborating closely with internal teams, freelancers, and subcontractors to ensure seamless execution, while maintaining a proactive approach to business development and client retention within a fast-paced, restructured environment.

Creative Account and Project Manager VMI Studio

Apr 2024 – Oct 2025, London

Primary project lead overseeing campaigns from brief to delivery across CGI, architectural visualisation, animation, and web applications for a portfolio of UK, European, and US property developer clients including British Land, Argent Related, Taylor Wimpey, Arc Oxford, Boston Residential Group, Barratt London, and VIC Properties. Responsible for end-to-end project management including budget oversight, costing, quoting, supplier negotiation, and team coordination. Consistently delivered on time and within budget.

KEY PROJECT

Pinheirinho Comporta, Portugal — Led the full CGI and visualisation campaign for a EUR 1.7bn luxury estate development. Personally accountable for a GBP 800k budget from pitch through to final handover, overseeing CGI, animation, and all visualisation workstreams.

Project Manager Cityscape Digital

Jun 2021 – Apr 2024, London

Acting as main point of contact for clients, navigating projects from conception to after-sales care with continuous communication throughout. Created thorough costing documents encompassing estimates, quotes, and finalised fee agreements, and managed multiple concurrent projects across diverse budgets. Collaborated closely with suppliers to negotiate and finalise pricing, keeping the project team fully informed on deliverables and progress.

Photography & Planning Resource Manager Cityscape Digital

Dec 2018 – Jun 2021, London

Managed end-to-end project operations across photography and planning functions, including project briefings, shooting schedules, photographer bookings, and daily operational oversight. Maintained allocation schedules and resolved resourcing issues, ensuring full compliance with internal procedures. Required superior project management ability, clear cross-team communication, and unwavering attention to detail.

Photography Co-Ordinator Ocean Outdoor

Feb 2016 – Dec 2018, London

Coordinated photography for major advertising campaigns including Piccadilly Lights and London IMAX, handling scheduling, post-production oversight, supplier management, and project planning. Collaborated with Operations and Sales to meet client requirements, produced weekly performance reports, and spearheaded a new campaign partnership with the Marine Conservation Society.

Social Media & Community Assistant Culture Trip

Nov 2015 – Feb 2016, London

Contributed to the planning and delivery of global digital content across social media platforms, supporting campaign execution, copywriting, and online advertising.

Photographer & Marketing Assistant MyMimiFactory

Oct 2014 – Jan 2015, London

Coordinated photography projects, events, and a network of global photographers. Managed the development and delivery of in-house 3D products for website sales.
